

Meeting 5.4

Module 5 outcome: The disciple understands and practices a life of confession within community.

DISCUSS the *Forgiveness Incarnated* video using the questions below:

1. Why do you think forgiveness is so powerful?
2. Does forgiveness mean that the offending party should get off scot-free? What is the relationship between forgiveness and justice?
3. What significant lessons has this module taught you about forgiveness and confession?
4. Forgiveness is one of the most powerful tools we have against the enemy. How will you begin to practice a lifestyle of confession, forgiveness, and reconciliation on a new level? How will this lead you into more freedom and victory?

Use your remaining time to discuss any significant decisions, interactions, or challenges the disciple is facing, and what God may be up to.

ASSIGNMENT: In preparation for Module 6, read the resource, *Reading Parables*, located on the Module 5 resource page. Write down some thoughts and come ready to discuss it at your next meeting.
