

Meeting 2.2

Module 2 outcome: With the help of a guide, the disciple discerns their unique role within God's story.

In this meeting, the disciple will share his or her Timeline. (Note that two meetings are dedicated to this process, so there is no need to rush.)

DISCUSS the events on the timeline and begin to discern God's work and voice in each one, but don't jump to conclusions. How might God have used the highs and lows of the disciple's life to form them into the person he wants them to be? Allow these insights to rise to the surface naturally.

ASSIGNMENT: Begin to discern a Life Theme, using the resource provided. Return to the next meeting ready to discuss what God has been revealing to you.
