

Meeting 8.1

Module 8 outcome: The disciple realizes the joy of creating belonging in the family of God.

DISCUSS the Sharing Jesus resource.

In this meeting, have an open discussion about the fears, doubts, and questions that we sometimes have when it comes to sharing our faith. Here are some activities and questions that may help guide your discussion:

1. Does framing “evangelism” in terms of “hospitality” help make it seem less intimidating? How so?
2. Spend time reading together through the four steps in the “Sharing Jesus” document that you read for this meeting. Be certain you understand the point of each step.
3. Have you ever had anyone evangelize you? How did it make you feel? What can you learn from it?
4. Have you ever led anyone to Jesus? If so, share the story.
5. What do you need to do in order to be more comfortable sharing your faith?

ASSIGNMENT: Read the essay, “Finding a Person of Peace,” located in the Module 8 resource page.
